Themed Programs

Includes digital publicity+ program + live moderation & discussion

(RT: 45-50 min)

- **Golden Age of TV**

It's the 1950s and America is tuning in! Program includes 15 min recorded *Great Courses* lecture about the invention of TV, patent battle and the beginning of networks and advertising. Participants test their TV show knowledge with trivia-name that TV show theme song, famous TV couples and more.

- **National Parks**

The roots of America's conservation movement beginning in the 1850s, with a focus on Theodore Roosevelt. Program includes a 25 min recorded *Great Courses* lecture about the influence of artists and conservationists. Participants test their national park knowledge with trivia and are invited to share their park travel photos.

- **Women's History**

Women who succeeded against tremendous odds in the challenging times of the 18th and 19th centuries. Program includes several digital shorts from *Unladylike*, a series celebrating inspiring women along with their contemporary trailblazers and heroines. Each program showcases specific themes with live moderated discussion to follow.

- **Presidential History**

The founding era of presidents (1789-1825), Washington through Monroe. Program includes a 44 min recorded "*Guide to the Presidents*" about our new democracy and challenges to choose a president, the electoral college and formation of parties. Participants enjoy fun presidential history trivia in the chat and after the program.
